# MILKY PROJECT

DEVELOPMENT OF A  
SUSTAINABLE DAIRY SUPPLY  
CHAIN IN KIAMBU COUNTY

## Our beneficiaries

**672** men

**1328** women

for a total number of 2000  
micro - enterprises in **80**  
different **villages**

## Our objectives

### Overall objective

In Agreement with the  
Agricultural Sector Development  
Program and in coherence with  
the Kiambu Dairy Strategic Plan  
2013-2017, to promote a  
sustainable economic growth in  
Kiambu County.

### Specific objective

To develop a climate- resilient  
quality dairy value chain for 2000  
micro enterprises in 4 Kiambu sub  
counties within 36 months

## Project's results

1. Improved **quantity** and **quality** of **milk** produced
2. Improved **storage** and **processing capabilities** of the Limuru Archdiocesan Farm
3. Improved **access to market** and informed consumption of dairy products

## Main activities

Increase **availability** of **suitable fodder**:

- analysis on fodder components
- training on animal nutrition and fodder production
